Sponsorship Packages

NP Week IL 2024

Mission

To recognize NPs by celebrating their work, promoting awareness as primary healthcare providers, and supporting them by offering access to education, networking, and self-care activities.

Vision

To increase awareness of the NP role, empower NPs to excel in their profession and inspire the next generation of NPs.

Goal: Our goal is to offer this entire week of activities free to our deserving NP's and we are seeking sponsors and donors to help us make this week a success.

Nurse Practitioner (NP) Week is celebrated yearly during the second week of November. This year, it occurs November 10-16, 2024. NP Week IL 2024 will be a week-long celebration of NPs. We will offer free events for NPs open to any NP but geared toward the NPs of Illinois.

We will start the week off with a brunch so we can celebrate and thank our NPs for giving selflessly to the profession and taking care of patients, families, and communities. There will be virtual lunch and learn sessions, educational dinner meetings, and a day of networking. On Saturday, we will close the week with an NP week conference.

General Information

As the demand for quality health care continues to increase, nurse practitioners (NPs) are rising to meet the needs of patients. Throughout the COVID-19 pandemic, NPs have been on the front lines of health care delivery, ensuring patients have access to lifesaving vaccinations, as well as primary, acute, long-term and specialty care. To honor their many contributions to the health of communities nationwide, Join me in recognizing the critical role of NPs as part of the annual National Nurse Practitioner Week (NP Week) celebration, held November 10-16 this year.

Did you know that NPs provide lifesaving care in more than 1 billion patient visits each year? Special thanks to my NP colleagues — and the millions of patients who choose an NP.

Last year in 2023, April was able to secure proclamations declaring NP Week in Illinois from the Village of Flossmoor, the Village of Homewood, the City of Chicago and the State of Illinois.
